D.O.No.Z.15015/10/2023-NHM-I  
Dated: 12<sup>th</sup> August, 2024

*Respected Sir,*

As you are aware, Government of India has launched the Free Drugs Services Initiative in 2015 to ensure the availability of free drugs provision in all public health facilities till Sub Health centres. During Third National conference of Chief Secretaries, through collaborative efforts of the centre and states, action points has been developed to ensure effective drug delivery supply chain management system till primary level by December 2024, shared vide D.O. No. Z-18015/13/2023-NHM-II, dated 13<sup>th</sup> May 2024.

To improve drug delivery system till the primary level, MoHFW, in collaboration with BMGF and PATH, is implementing a pilot project for strengthening supply chain management in your state. As a part of this project, As-Is assessment of the public health SCM was conducted in your state in July 2023 along with your state officials and based on the findings, a state-specific roadmap for strengthening public health supply chain has been developed. This roadmap aims to:

- Strengthen the supply chain management of essential drugs.
- Roll out of pilot Innovations for optimizing last-mile delivery.
- Enhancing functionality and improving reach of the existing DVMS.
- Improve functionalities and processes of the drug warehouses.
- Enhance the capacities of the existing health workforce on SCM processes.

Along with the letter, a summary of the key challenges, recommendations, activity matrix with timelines and key outcomes is enclosed for your quick reference. A copy of detailed roadmap is also enclosed. You are requested to go through the report and take it as input for designing an IT-based supply chain model for efficient drug distribution.

NHSRC and PATH will provide the necessary technical support to roll out this roadmap in your state. We look forward to your cooperation in this critical initiative to improve drug distribution system and availability of essential drugs till the last mile health facilities. For any assistance or further information please contact on [harsh.mangla@ias.nic.in](mailto:harsh.mangla@ias.nic.in) and [apatle@path.org](mailto:apatle@path.org).

*With regards.*

Yours sincerely,

Encl.: as above

(Aradhana Patnaik)
